

# Your chance to win **£50!**

If you get the bus to work, you could win a **£50 shopping voucher!**

To help promote the bus services at Oakham Business Park we're offering the chance for employees to **win a £50 shopping voucher each month** between June 2024 and January 2025.

## How do i enter?

All you need to do is use one of the bus services which serve the business park to get to work. This includes the 90 run by trentbarton and the A1/A2/A3 services run by Stagecoach.

When you use the bus you could be selected as a winner by one of our friendly advisors who will be waiting at a bus stop.

We'll be selecting one winner each month between June 2024 and January 2025. **Good luck!**

This project is being managed by Nottinghamshire County Council (working in partnership with AECOM)
